No 7899 dt 18th April 22
Forwards copies of Correspondence between the Principal, Maharaja College, Professor Mr. A B Mackintosh & himself on the matter Mr Mackintosh's ~~absence~~ absence from duty without permission, from 9th to 23rd March 22, and requests ~~the orders of Govt be communicated to~~ orders of Govt as to how his procedure & absence should be treated.

The Registrar states that the absence was during the working days of the College.

From the Correspondence between the Principal & the professor, it is clear that the absence of the latter was due to serious ill health and he was ~~in~~ undergoing treatment in the Bowring Hospital, B'lore. The professor has attended to the investigation work allotted to him. His absence between the 9th to 23rd March (15 days) may perhaps be treated as ~~on~~ privilege leave.

"Your letter dated the 18th instant.

I am forwarding your letter to the Registrar, but as the Vice-Chancellor is away from Mysore and returns only

only on the 30th instant, I do not expect orders till then. Your invigilation work begins, as you will see from the list of hours sent to you, on the 24th instant. You have, therefore, to decide for yourself whether you will stay away under the circumstances, I may point out that it is quite possible that your absence will be treated as absence on leave, since the Examinations are held in term time.

I shall be obliged if you will kindly let me know, for the information of the Vice-Chancellor, when you left Mysore, as your letter is the first intimation I have had of the fact that you were not here. A member of the Staff is not supposed to leave the station before the term closes.

If I do not hear from you or do not see you at the College on the 24th instant, I shall assume that in the interests of your health, you have decided to stay away from work at the College, and shall otherwise arrange for invigilation in the room allotted to you".
